In the boxes provided on the attached sheets, state the name and mailing address, including zip code, and last four digits of the account number, if any, of all entities holding priority claims against the debtor or the property of the debtor, as of the date of the filing of the petition. Use a separate continuation sheet for each type of priority and label each with the type of priority.

The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, indicate that by stating "a minor child" and do not disclose the child's name. See 11 U.S.C. § 112. If "a minor child" is stated, also include the name, address and legal relationship to the minor child of a person described in Fed.R.Bankr.P. 1007(m).
